## **Chamber Releases Statement Following HB 75, Right-to-Work Legislation, Vote in House Business and Employment Committee**

The Greater Albuquerque Chamber of Commerce today issued a statement following the 8-5 vote in the House Business and Employment Committee:

"We believe you should have every right to join a union if that's what you choose. But New Mexicans should never have to pay dues to a union if they don't want to. We are delighted to see Right to Work on the move in New Mexico," says Terri Cole, President and CEO of the Greater Albuquerque Chamber of Commerce.
